### Fun updates from Presidio Dermatology!

We know that shopping time is right around the corner. And we have some suggestions, especially gifts for YOU!

First, we are encouraging all our clients who use Allergan products (BOTOX, Juvederm, Latisse, SkinMedica) to join **Brilliant Distinctions**, Allergan's online rewards program. We will have an iPad available in our office so you can sign up when you are here (or even better, do it before you come in).

With Brilliant Distinctions, you can qualify for points and get discounts on Allergan products and procedures! For more information or to sign up, go to <https://www.brilliantdistinctionsprogram.com>.

### Lash out for FUN!

If you love Latisse OR if you haven't tried Latisse, we have a great offer for you:

For every 5ml bottle you buy, you will get a coupon for a **free 3ml bottle!** And buying Latisse will also get you Brilliant Distinction Points -- it's a win-win!

Offer ends on **leap day, February 29, 2016**; maximum 3 coupons per patient.

This is a great deal, so stock up for yourself and buy one for a friend or family member. You will see longer lashes in 6 weeks!

### Check out NEW SkinMedica TNS Essential Serum!

Let's hear it for this anti-aging workhorse!

We are now carrying SkinMedica's blockbuster TNS Essential Serum. It has been around awhile, but they have worked hard to maximize the current formula so that it brings you all the anti-aging benefits you deserve!

SkinMedica has taken the most effective state-of-the-art anti-aging ingredients available, and put them all in the same bottle.

It is expensive (\$270) but it will last at least 45 days, plus you do not need to use anything else on your face other than sunscreen. You'll think it's worth every penny when you see improvements within a month (if you use it twice a day).

If you REALLY want to go for it, use TNS Essential Serum with their Retinol Serum. The retinol is encapsulated to minimize irritation, and it costs \$60. This Retinol Serum is the same strength as prescription Retin A, and much more user friendly!

Note that any age patient can use these SkinMedica products. This holiday, treat yourself to these very special gifts -- you deserve them!

### Call us NOW to look your holiday best!

**NOW** is the time to make your appointment for BOTOX and fillers to get you ready for all those parties!!! Hurry, because our November and December appointments fill up quickly (pun intended)!
